Transfer to and from LNL

Bus transfers will be organized everyday between the centre of Padova and LNL for those participants who have requested this service in the registration form. The pick-up points of the bus “**Michielotto Autoservizi**” (remember this name to recognize the bus) will be:

- 8:00 Hotel Mantegna – Via Tommaseo 61.
- 8:03 Railway Station (near the bicycle parking place).
- 8:10 Central Hospital – Via Giustiniani 2 (at the ATP bus stop near the Hospital main entrance).

Since the bus can stop only for a few seconds, participants are kindly recommended to be on time at the pick-up points. If you miss the bus, you can use the regular blue buses of the SITA company directed to “Agripolis” or “Piove di Sacco”.

In the afternoon, the bus will drop off the participants at the same points.

We look forward to seeing you in Legnaro.
