

DISCRETE 2010

Monday, 6 December 2010

Neutrino mass, mixing and discrete symmetries (2) - Aula Convegna, Ground floor (17:00 - 18:40)

time	[id] title	presenter
17:00	[2] A model for neutrino masses and mixing based on the non-abelian discrete symmetry A_4	Dr MELONI, Davide
17:25	[47] OPERA: A first tau-neutrino appearance candidate.	Dr WONSAK, Bjoern
17:50	[57] OPERA analysis procedures	Ms LAZZARO, Claudia
18:15	[72] T2K experiment: status and first results	Dr DUFOUR, Fanny
