

Continuous gravitational waves from rapidly rotating neutron stars

Prof. Ben Owen
*Associate Professor of Physics,
Director of the Center for Gravitational Wave Physics,
The Pennsylvania State University*

12, 14, 15, 16 Luglio 2010

“Sapienza” Univ. di Roma
Dip. di Fisica - Edificio Fermi

Aula 2 ore 14.15 - 16.00

Istituto Nazionale di
Fisica Nucleare
