

**Portable sensing platforms, based on solid state gas  
sensors, for outdoor air quality monitoring: a  
multi-level and iterative approach for development,  
deployment and calibration**

*Monday, 5 August 2024 13:00 (25 minutes)*

**Primary author:** GAIARDO, Andrea (Bruno Kessler Foundation)

**Presenter:** GAIARDO, Andrea (Bruno Kessler Foundation)

**Session Classification:** Day I, Session I
