

9th GOSPEL Workshop. Gas sensors based on semiconducting metal oxides:  
novel materials & mechanism analyses & application fields

Contribution ID: 152

Type: **Oral presentation**

## **Chemical sensor array using 2D materials**

*Monday, 5 August 2024 15:55 (15 minutes)*

**Primary author:** JANG, Ho Won

**Presenter:** JANG, Ho Won

**Session Classification:** Day I, Session II
