

9th GOSPEL Workshop. Gas sensors based on semiconducting metal oxides:
novel materials & mechanism analyses & application fields

Contribution ID: 158

Type: Oral presentation

Construction of hierarchical In₂O₃/In₂S₃ microsphere heterostructures for TEA detection

Monday, 5 August 2024 17:25 (15 minutes)

Primary author: ZHANG, Yongjie (Jilin university, China)

Presenter: ZHANG, Yongjie (Jilin university, China)

Session Classification: Day I, Session II
