

# **Stabilizing MEMS MOS gas sensors response through working temperature modulation and signal processing**

*Tuesday, 6 August 2024 13:30 (15 minutes)*

**Primary author:** KRIVETSKIY, Valeriy (M.V. Lomonosow Moscow State University)

**Presenter:** KRIVETSKIY, Valeriy (M.V. Lomonosow Moscow State University)

**Session Classification:** Day II, Session II
