

**9th GOSPEL Workshop. Gas sensors based on semiconducting metal oxides:  
novel materials & mechanism analyses & application fields**

Contribution ID: **199**

Type: **Oral presentation**

## **Lattice oxygen in sensing reaction**

*Tuesday, 6 August 2024 11:00 (15 minutes)*

**Primary author:** GAO, Ruiqin (Jilin university, China)

**Presenter:** GAO, Ruiqin (Jilin university, China)

**Session Classification:** Day II, Session II
