

How to register on the INFN Indico for Conference Registration

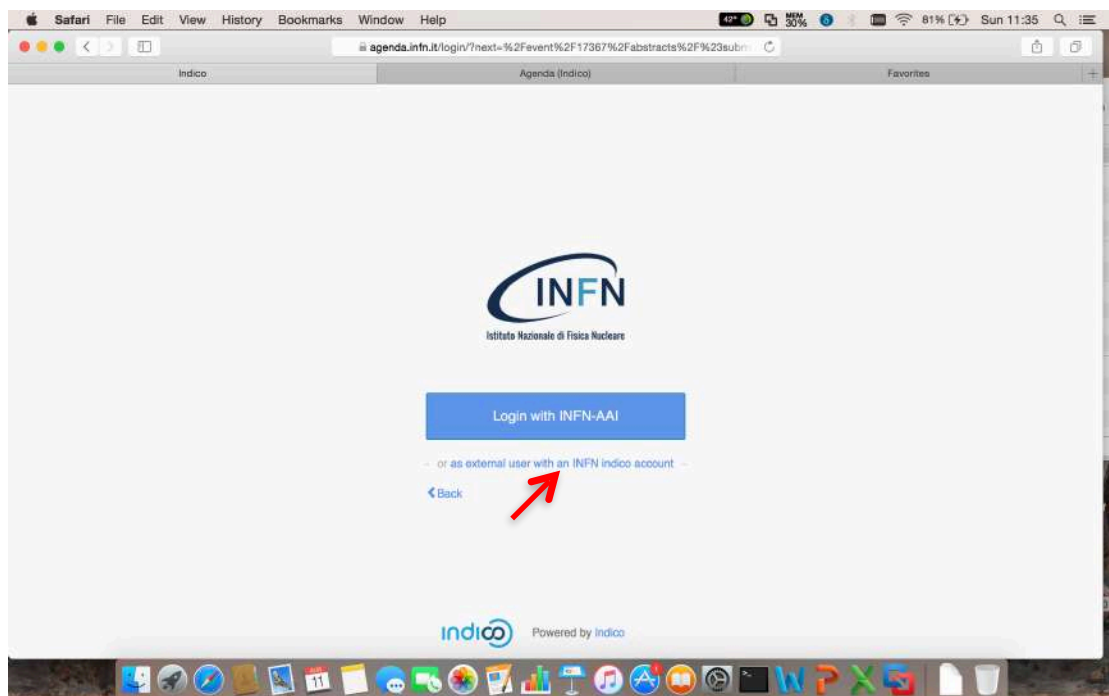

1) Once you are connected to the Indico conference website

<https://agenda.infn.it/event/28111>

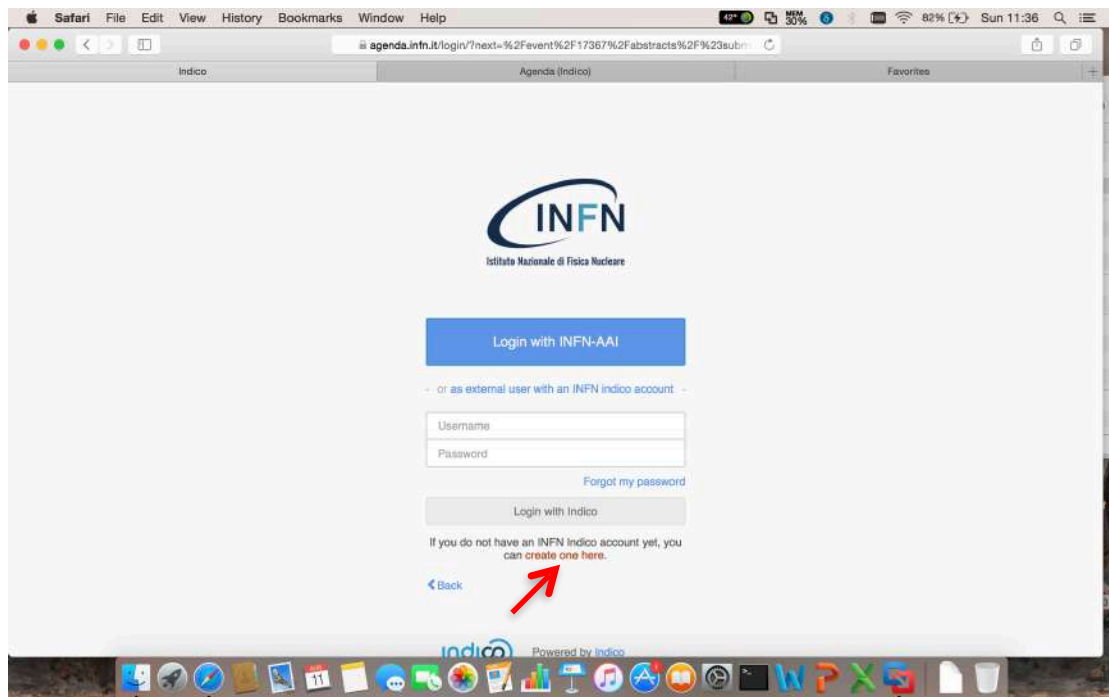

Click in the upper right corner on the option “Login”

2) The following website will open:

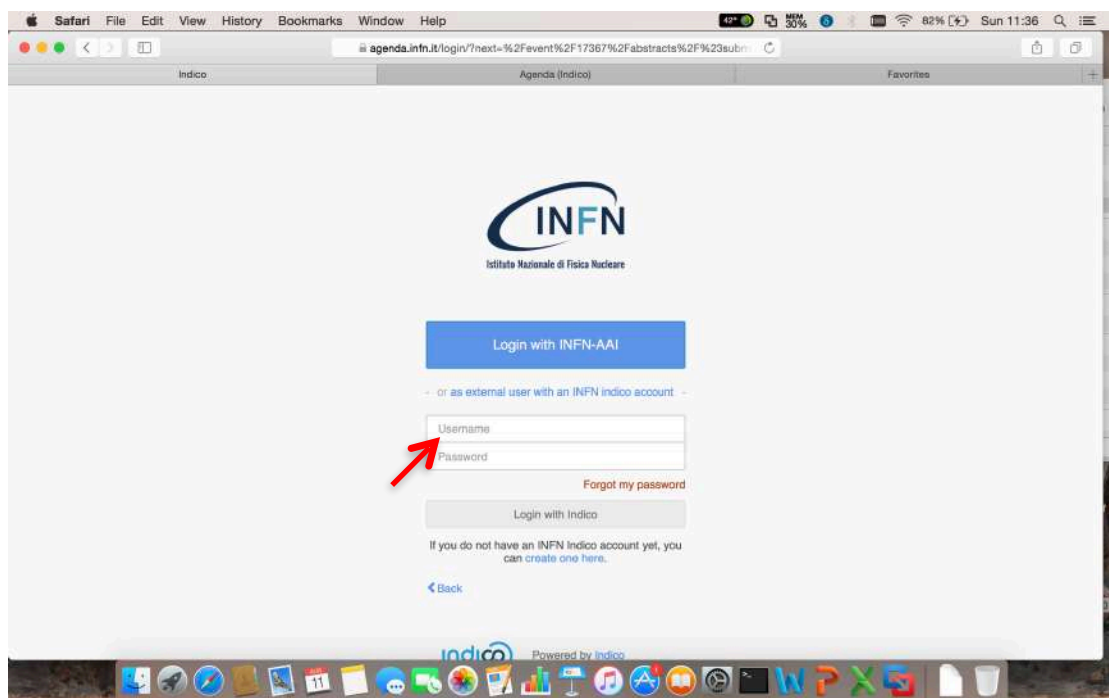

Choose the option “as external user with an INFN Indico account”

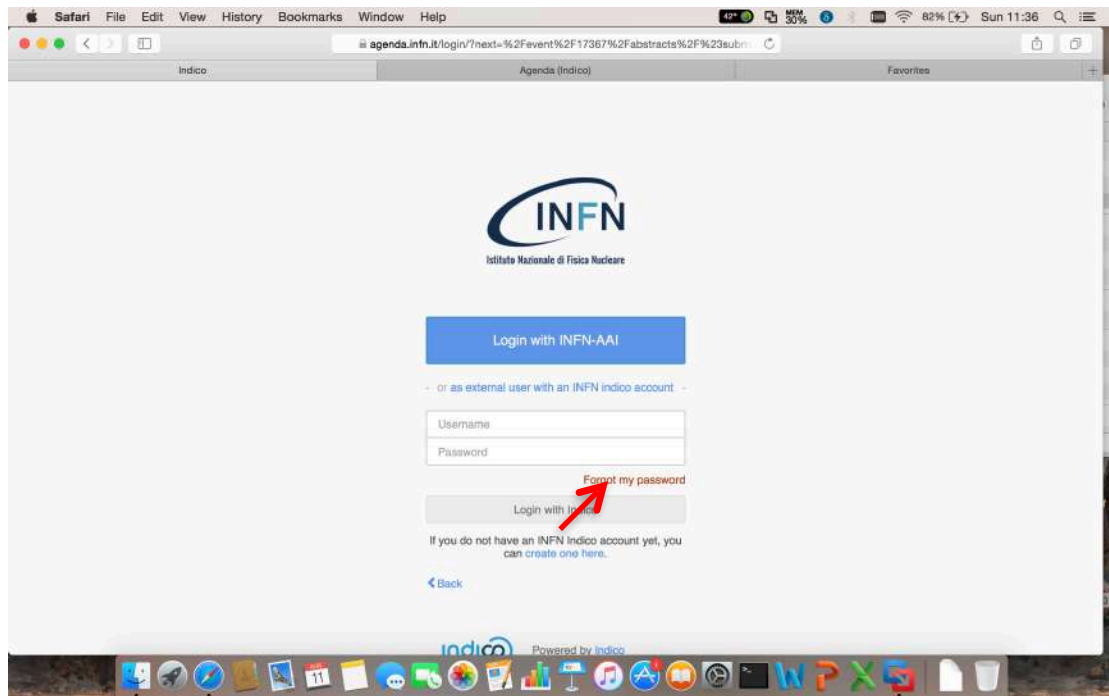

3) If you **do not have** already an INFN Indico account choose now “create one here”.

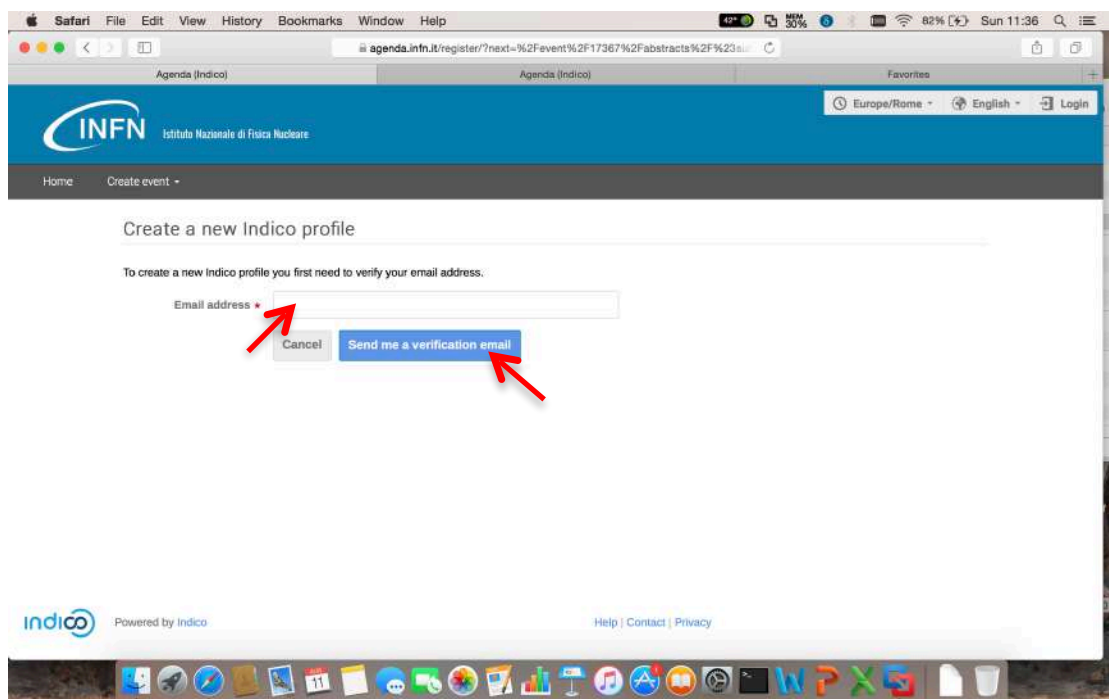

If you **have already an INFN Indico** account give your credentials.

In case you have forgotten them you can ask at the link “Forgot my password” for a new one.

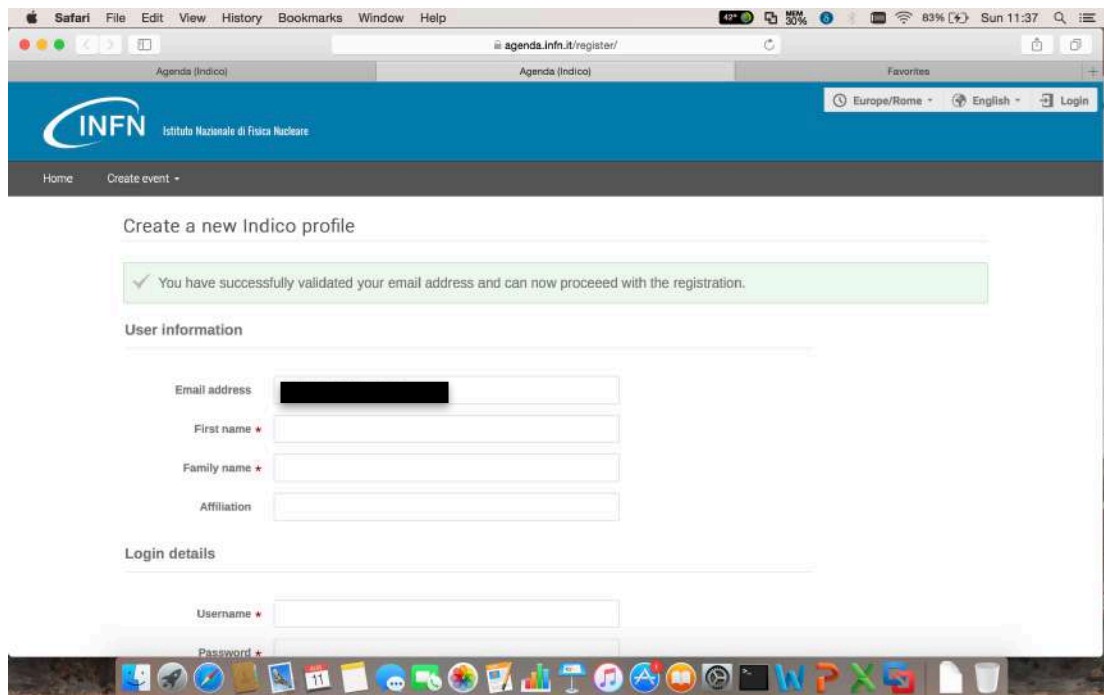

4) If you have chosen “reate one here” you will be on the following webpage:

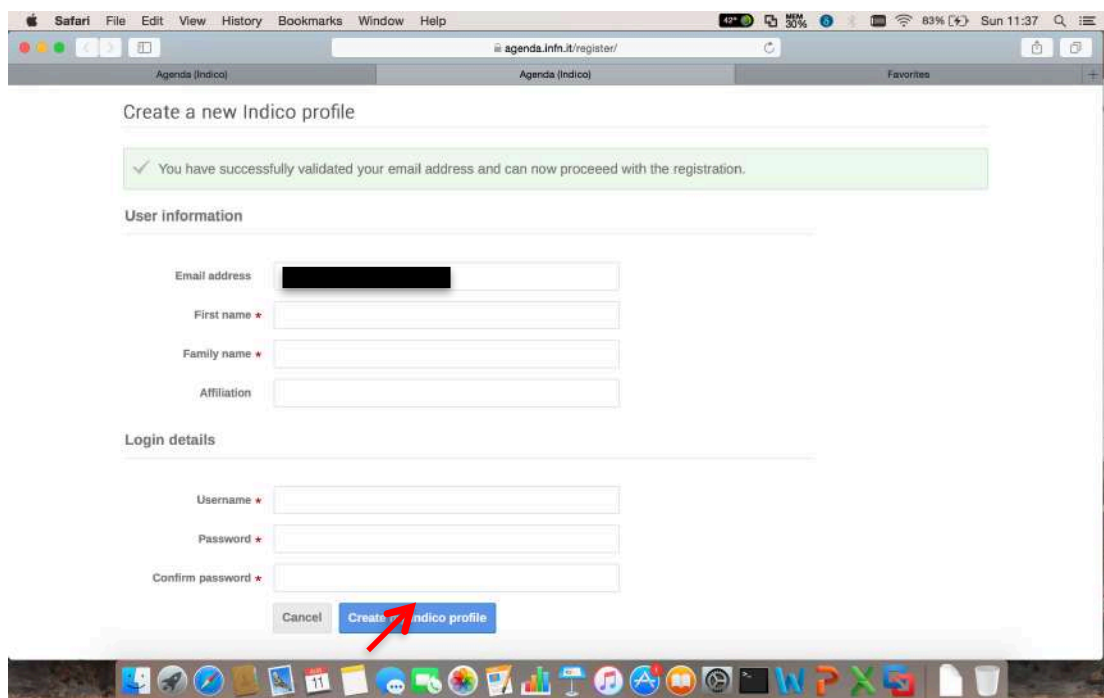

You have to provide a valid e-mail address and ask for an verification e-mail. You will be sent a verification e-mail to the provided e-mail address. Inside this e-mail there will be given a link that you have to follow.

5) Once you have clicked on the link provided in the verification e-mail you will arrive on this webpage.

Scroll down the page and enter all fields marked with a red asterisk. Please give also you affiliation as this information is needed by the organizers of the event. Then click on “Create my Indico profile”.

Now you are ready to log-in and to register for the conference the Indico conference website <https://agenda.infn.it/event/28111/>.
