

# ICRM-LLRMT 2022

**Monday, 2 May 2022 - Friday, 6 May 2022**

**LNGS**

## **Scientific Programme**

**Applications**

**Fundamental Physics**

**Low level  $\gamma$ -ray spectrometry**

**Noble gases**

**Non-radiometric techniques**

**Quality and Intercomparisons**

**Radiochemistry**

**Techniques for low-level  $\alpha$ -particle,  $\beta$ -particle and  $\gamma$ -ray measurements**

**Thematic Session 1 - Studies of climate change**

**Thematic Session 2 - Emergency preparedness**

**Thematic Session 3 - Future ISO/CEN/IEC standards**

## **Invited talk**
