Type: **not specified**

## **Surface engineering of the secondary electron yield by Atomic Layer Deposition**

*Tuesday, 27 September 2022 17:00 (30 minutes)*

**Primary author:** PROSLIER, Thomas (Commissariat de l'énergie atomique)

**Presenter:** PROSLIER, Thomas (Commissariat de l'énergie atomique)

**Session Classification:** Surface Properties, Coating and Experimental Studies (II)
