

# ECLLOUD'22 and GWDVac'22 Workshops

## Tuesday, 27 September 2022

### Surface Properties, Coating and Experimental Studies (I) - Hotel Hermitage (11:30 - 13:00)

-Conveners: Vincent Baglin

time	[id] title	presenter
11:30	[17] Experimental study on the secondary electron emission characteristics of materials in cryogenic environment	YUDONG, Liu
12:00	[18] SEY and ESD of ices and technical surfaces at cryogenic temperature	HAUBNER, Michal
12:30	[19] Morphology effects on desorption processes at cryogenic temperatures	SPALLINO, Luisa
