

Session Program

September 25, 2022 to October 1, 2022

E-CLOUD'22 and GWD Vac'22 Workshops

GWD vacuum meets accelerator vacuum

Italy, La Biodola Bay, Isola d'Elba, Hotel Hermitage

Wed, September 28

3:30 PM

GWD vacuum meets accelerator vacuum

Session | **Location:** Italy, La Biodola Bay, Isola d'Elba, Hotel Hermitage | **Convener:** Roberto Cimino

3:30 - 4:00 PM

Surface and Material properties governing ultrahigh vacuum

Speaker

Rosanna Larciprete

4:00 - 4:30 PM

Physical and chemical processes at Cryogenic Surfaces: a lesson from the Space

Speaker

Mr François Dulieu

4:30 - 5:00 PM

Synergies between dynamic vacuum issues in accelerators and GW instrumentations

Speaker

Luisa Spallino

5:00 - 5:30 PM

Electron emission from Insulators: a novel measuring methods developed for spacecraft research

Speaker

Mohamed Belhaj

5:30 PM
