## 7. OUTDOOR ACTIVITIES

The Conference venue is a few steps from the start of the sky slopes. The Instructors of la Thuile Sky School organize special classes for the Conferences. Usually we have three classes: beginners, medium level and advanced skiers. Classes are free of charge but we request that interested people inform us. There are other possibilities: from cross-country sky (there are several paths in La Thuile area), to paths for walking with snowshoes so that you can enjoy the spectacular views of the area.

We remind you that main shops renting sky equipment have special discounts for Conference participants upon presentation of their conference badge.

## 8. SKI PASSES

The participants in the Rencontres will be able to purchase sky passes at a reduced rate at the cable car ticket gates. The Secretariat of the Rencontres will issue the required certificates. No photograph will be needed.

Skipass can be acquired at discounted price. We remind that insurance for outdoor activities can be bought along with skipasses. Based on past experiences, if you intend using your personal insurance, make sure that it covers the activities you want to pursue.
