

# **S-SP: Student Talks - Prize Award Session**

**22 September - Thursday PM**

**Organizers:** Bernhard Holzer (CERN) and Roman Walczak (University of Oxford)

## ▶ **EuCARD/ARIES/I.FAST supporting students:**

- EAAC 2015: 45 grants.
- EAAC 2017: 51 grants.
- EAAC 2019: 47 grants.
- EuroNNAc Special Topics Workshop 2022: 43 grants.

## ▶ **Two Summer Schools were organized**

- Lectures and other materials are available at  
[https://www.euronnac.eu/student\\_portal/schools\\_and\\_training/](https://www.euronnac.eu/student_portal/schools_and_training/)

## ▶ Simon van der Meer Early Career Award in Novel Accelerators 2021/2022

- The award for 2021 is awarded with one year delay because of COVID-19 impact. The award ceremony and a lecture given by the laureate will take place on **Thursday at 16:00 in Sala Maria Luisa.**
- 2021/2022 SvdM Selection Committee:  
Felicie Albert, Reinhard Brinkmann, Alessandro Cianchi, Brigitte Cros, Bernhard Holzer (in chair), Zulfikar Najmudin and Roman Walczak.

## ▶ The next Simon van der Meer Award will be awarded at EAAC 2023.

▶ **There are 43 posters by students and 17 posters by other participants.**

- By now, all posters should be available on Indico site. All posters will be on display from Monday until the end of the workshop. The authors will be in attendance during one evening poster session: Monday: a half of students, Tuesday: the other half of students and on Wednesday: all other participants.
- Three poster prizes will be awarded to students who will be asked to give a 10 min slide presentation of their posters on Thursday starting at about 16:45 in Sala Maria Luisa.
- There will be further five 10 min slide presentations of posters starting at 17:50 in Sala Maria Luisa. These posters will be selected for presentations taking into account their quality but also attempting to cover the whole area of research of EAAC (by 3 + 5 posters). All posters will be considered (not only by students).
