

Discover Cosmic Rays

# INTERNATIONAL COSMIC DAY

November 10 | 2021

Cosmic particles, these unnoticed particles that surround us all the time, are the focus of this day. Students, teachers and scientists get together to talk and learn about Cosmic Rays and answer questions like:

What are cosmic particles?  
Where do they come from?  
How can they be measured?  
And what can we learn from them?

## Venue

Dipartimento Interateneo di Fisica  
dell'Università e del Politecnico di Bari  
Aula Multimediale (1° piano)

## Organizers

INFN – Sezione di Bari  
Dipartimento Interateneo di Fisica di Bari
