

A tribute to Raffaele Tripiccone: 1956-2021

Monday, 19 December 2022 09:10 (30 minutes)

It is almost one year that Raffaele Tripiccone is no longer with us. He was a colleague , a very deep thinker and, above all, a friend.

In this short talk, I will review his figure and some of his scientific work.

Primary author: BENZI, Roberto (Dipartimento di Fisica, Univ. di Roma "Tor Vergata")
