

SM&FT 2022 - The XIX Workshop on Statistical Mechanics and nonperturbative Field Theory

Wednesday, 21 December 2022

Session 9 - Dipartimento di Fisica - Università di Bari "Aldo Moro" - aula B - 1st floor (09:00 - 11:00)

-Conveners: Alessandro Papa

time	[id] title	presenter
09:00	[135] New governance of INFN Scientific computing management and overview of PNRR activities in the context National Scientific Computing infrastructure	DONVITO, Giacinto
09:30	[101] Thermodynamic limits of sperm swimming precision.	Prof. PUGLISI, Andrea
10:00	[125] Non-perturbative thermal QCD at very high temperatures: the case of mesonic screening masses	GIUSTI, Leonardo
10:30	[132] Confinement in Lattice QCD	ATHENODOROU, Andreas
