Equal opportunity in INFN

Friday, 8 July 2022 16:05 (25 minutes)

INFN (Istituto Nazionale di Fisica Nucleare) is the Italian research agency dedicated to the study of the fundamental constituents of matter and the laws that govern them. INFN employs 2000 staff (scientists, technicians and people in administration) and about 4000 associate people.

In the last 20 years, the gender parity has been monitored and affirmative actions have been proposed. The statistics and the actions will be presented.
