## **Higgs boson differential and STXS measurements - bosonic channels**

*Thursday, 7 July 2022 09:45 (15 minutes)*

This talk will cover measurements of Higgs boson differential cross section measurements with boson decay channels, including fiducial differential cross-sections and STXS results.

### **In-person participation**

Yes

**Primary author:** TARABINI, Alessandro

**Co-author:** MEYER, Arnd

**Presenter:** TARABINI, Alessandro

**Session Classification:** Higgs Physics

**Track Classification:** Higgs Physics
