## Precision calculations for Higgs Physics

*Friday, 8 July 2022 17:00 (30 minutes)*

I will report on the developments in precision calculations for Higgs physics from its discovery to today, focusing on the latest advancements in the study of its main production channel, gluon fusion.

### **In-person participation**

Yes

**Primary author:** TANCREDI, Lorenzo

**Presenter:** TANCREDI, Lorenzo

**Session Classification:** Higgs Physics

**Track Classification:** Higgs Physics
