

PubComm Update

Every year in September the PC organization changes.

I am the oldest PC member being in the committee since more than two years.

I wish to close my presence in the committee, I am available, if needed, to overlap with the new coordinator for about a couple of months.

In my opinion its time to include in the PC some younger member.

I wish to thanks two people that are not anymore in the PC but helped a lot in my PC activity:

Stefano Bianco (previous coordinator)

Emanuele di Marco
