

LC10 - New Physics: complementarities between direct and indirect searches

Thursday, 2 December 2010

BSM and SUSY - Chair G. Isidori - Auditorium (14:30 - 17:20)

time	[id] title	presenter
14:30	[17] Probing supersymmetry with flavour physics data	Dr MAHMOUDI, Nazila
15:05	[18] Complementarity of low energy and high energy searches for leptonic flavour	Dr TEIXEIRA, Ana M.
15:40	[19] Dark matter wants the Linear Collider	Prof. MATSUMOTO, Shigeki
16:15	Coffee break	
16:45	[20] Studying new physics with precision electro-weak observables in multi-TeV e+e- collisions	CORADESCHI, Francesco
