

LC10 - New Physics: complementarities between direct and indirect searches

Friday, 3 December 2010

Vector Boson fusion - Auditorium (09:30 - 11:45)

time	[id] title	presenter
09:30	[23] Hadronic backgrounds due to two photon processes at linear colliders	Prof. GODBOLE, rohini
10:05	[24] Summary of the gamma gamma session at IWLC 2010	Prof. KRAWCZYK, Maria
10:40	[25] One-loop Higgs boson production in the 2HDM at the ILC:e+e- pair production versus single Higgs photon-photon mechanism	Prof. SOLA, Joan
11:15	Coffee break
