

SAPIENZA
UNIVERSITÀ DI ROMA

8th Roma International Conference on Astroparticle Physics ([RICAP-2022](#))

Second Bulletin – June 2022

Hosted by Physics Department of the Sapienza University of Roma and INFN - Roma

[RICAP-2022/](#) will be the eight editions of the RICAP Conference. The Conference, entirely dedicated to the study of high-energy cosmic rays, has been traditionally organized by the INFN sections and Physics Departments of the three public Universities of Roma (University “La Sapienza”, University Roma “Tor Vergata” and University “Roma Tre”). The 2022 edition will be held in the “Sapienza” University of Roma, on September 6th-9th, 2022.

Scientific Topics

The aim of the Conference will be to present and discuss some of the most relevant theoretical and experimental results in the field of high energy cosmic rays (gamma, neutrinos, charged cosmic rays). Special attention will be paid to the multi-messenger search for high energy cosmic rays sources, including gravitational wave searches. A special session will be dedicated to Dark Matter search. The Conference will give the opportunity to collect experimental results from presently operating experiments. Experiments in progress and future projects will be discussed, debating on the different features and on sensitivities. Particular relevance will be given to the discussion of the open questions in high energy Astroparticle Physics.

Important deadlines

Starting date for registration	April 1 st , 2022
Deadline date for early registration	June 15 th
Deadline for registration	August 25 th
Starting date for abstract submission	April 1 st
Deadline for abstract submission	July 15 th
On site registration and Welcome drink	September 6 th afternoon
Opening Ceremony	September 7 th at 9:00
Closing Ceremony	September 9 th
Deadline for proceedings submission	December 1 st

A first version of the plenary sessions is available on the Conference web-page. Parallel sessions programme will be defined on the basis of submitted abstract.

Please do not hesitate to submit your abstract in order to give us the time to build a valid Conference programme.

Social events:

On September 8th afternoon there will be a guided visit to a roman Museum, followed by a Conference dinner in a Restaurant.

Your early registration is important for the organization of these social events.

Conference Web Page: <https://agenda.infn.it/event/29838/>

Scientific Secretariat Email: ricapsept2022@gmail.com

Registration

The registration fees for the RICAP-2022 conference include: lunches, coffee breaks, social event and conference dinner; a conference bag; on-line proceedings publication and are:

Until June 15 th , 2022:	350 €
After June 15 th , 2022:	400 €

The **Conference Proceedings** will be published by *EPJ Web of Conferences*. Written contributions are expected before December 15th, 2022.

Registrations can only be made through the form available at:

<https://agenda.infn.it/event/29838/registrations/2915/>

Conference fee

All payments must be made in Euro (**free of the bank charges for the recipient**), either with a bank transfer or with credit card. It will also be possible to pay the fee by cash or credit card on site at the Registration Desk.

- **Payment by Bank Transfer:**

The transfer must be addressed to: **Associazione Romana per le Astroparticelle** and drawn on **Unicredit, Ple. Aldo Moro 5, 00185 Roma**.

Banking coordinates for payments:

IBAN: IT 34 X 02008 05227 000011607039, Swift Code: UNCRITM1153

Please remember to include in the motivation of the bank transfer payment: "**Name, Surname**" of the participant and "**fee for RICAP-2022**".

- **Payment by Credit Card:**

through the link: http://test.arap-astroparticelle.it/conferenze_attive.html

- **It will be possible to pay at the registration in cash or by credit card**

To complete your registration, please mail a copy of the Bank Transfer Payment to the Conference Secretariat: ricapsept2022@gmail.com

Accommodation

A short list of hotels, selected only since they are close to the Conference site, is available here below.

4 stars hotels

[Ateneo Garden Palace Hotel of Rome](#)

[Artdeco Hotel of Rome](#)

[Hotel Torino](#)

[Hotel Villafranca](#)

3 stars hotels

[Hotel Brasile](#)

[Hotel Camelia](#)

[Hotel Daniela](#)

[Hotel Laurentia](#)

[Hotel Rimini](#)

[Hotel Siviglia](#)

[Hotel Windrose](#)

The most common web search tools (Booking.com, Tripadvisor.it, etc.) can offer you a wider choice and help you select and book your accommodation.
