

EWPAA 2022: European Workshop on Photocathodes for Particle Accelerator Applications

Tuesday, 20 September 2022

Overview of Photocathode Research - Aula Magna C03 (14:20 - 15:30)

-Conveners: Daniele Sertore

time	[id] title	presenter
14:20	[1] High brightness beams	BACCI, Alberto Luigi
14:50	[2] Recent advancements on photocathodes	MONACO, Laura Silvia
15:10	[3] Experience on polarized photocathodes	AULENBACHER, Kurt
