Session II - Oscillation parameters: Future (08:40 - 12:00)

time	[id] title	presenter
08:40	[7] Jiangmen Underground Neutrino Observatory (JUNO): on the way to physics data	SISTI, Monica
09:15	[8] DUNE and the neutrino oscillation program at FermiLab	STANCO, Luca
09:50	Coffee Break	
10:15	[11] Oscillation physics with Hyper-Kamiokande	ZHENXIONG, Xie
10:50	[12] Oscillation physics with KM3Net	CHIARA LASTORIA
11:25	[13] Neutrino cross sections for future oscillation experiments	ALVAREZ-RUSO, Luis
