

# SuperB Workshop VI

## Tuesday, 8 January 2008

### Working Groups - Spectroscopy: bottomonium and exotica (14:30 - 16:15)

time	[id] title	presenter
14:30	[32] Searching for a light non-standard Higgs in bottomonium radiative decays	SANCHIS LOZANO, Miguel Angel
14:50	[33] Super-B Considerations for Higgses and Dark Matter [ BY PHONE ]	MCELRATH, Robert
15:10	[31] status of the art and potentialities at current exps	PATRIGNANI, Claudia
15:30	[30] Discussion - division of work	ANTONELLO POLOSA RICCARDO FACCINI
