

Workshop on status and perspectives of physics at high intensity

Friday, 11 November 2022

Dark sector - Bruno Touschek Auditorium (09:00 - 12:30)

-Conveners: Martino Borsato; Tommaso Spadaro; Laura Zani

time	[id] title	presenter
09:00	[28] Theoretical introduction	GRILLI DI CORTONA, Giovanni
09:25	[29] Status and prospects for dark sector searches at Belle II	CORONA, Luigi
09:50	[31] Dark sector searches at NA62	KLEIMENOVA, Alina
10:15	Coffee break	
10:45	[44] Brief overview of Dark Sector searches at LHCb	BORSATO, Martino
10:55	[33] Dark Sector phenomenology and new opportunities at CERN	REDIGOLO, Diego
11:20	[32] The PADME experiment	RAGGI, Mauro
11:45	[34] Discussion
