

Physics and Friendship

A (short) recollection of ideas and memories

Giancarlo Rossi

University of Rome Tor Vergata

Roma, September 26, 2022

First time I met Guido was in 1971-72

(some 50 years ago!)

First published paper in 1985 (Bochicchio, Maiani, Martinelli, Rossi, Testa)

In between 28 papers

- Recovering χ -symmetry in LQCD
- Improvement in LQCD
- B-physics from twisted-mass LQCD (ETMC)
- LQCD & isospin corrections (Roma123)

Latest published paper in 2021, a few months ago

[ETMC] C. Alexandrou *et al.*, “Quark masses using twisted-mass fermion gauge ensemble”

PRD **104** (2021) 074515

A fruitful and enjoyable (still going on) collaboration!

Let me conclude by saying that I'm sure

- my scientific collaboration with Guido will go on as exciting and fruitful as it has always been
- our friendship and reciprocal consideration can only grow in the years to come

Happy birthday Guido!
