

The Hitchhiker's Advanced Guide to Quantum Collapse Models and their impact in science, philosophy, technology and biology

Wednesday, 2 November 2022

Session 6 - Bruno Touschek Auditorium (15:00 - 18:00)

-Conveners: Alessandro Scordo

time	[id] title	presenter
15:00	[28] Testing time paradoxes, discrete symmetries and all that in entangled neutral K-mesons	DI DOMENICO, Antonio
15:30	[29] The collapse of a quantum state as a joint probability construction	MORGAN, Peter
16:00	Coffee Break	
16:30	[30] A Question for Penrose's OR and Orch-OR	DERAKHSHANI, Maaneli
17:00	[31] Collapse dynamics are diffusive?	DONADI, Sandro
17:30	[52] A tale of two gravity-related collapse models	HAMEROFF , Stuart
