9:30 AM	[3] Alessandro D'Adda: a not at all ordinary man	D'AURIA, Riccardo
9:55 AM	[4] The first adventure in string theory with Alessandro	GLIOZZI, Ferdinando
10:20 AM	[18] Memories of Alessandro	DI VECCHIA, Paolo
10:45 AM	[19] Sharing memories	

Rethinking the contributions of Alessandro: part II - Aula C (11:30 AM - 1:00 PM)

-Conveners: Lorenzo Magnea

time	[id] title	presenter
11:30 AM	[7] From Regge calculus to D'Adda calculus: the contribution of Alessandro to quantum gravity and matrix models	CASELLE, Michele
11:55 AM	[9] Sapporo-Torino collaboration for lattice supersymmetry	KAWAMOTO, Noburu
12:20 PM	[10] Super Yang-Mills on Lattice with Link Approach and Numerical Simulations	KANAMORI, Issaku
12:45 PM	[20] Sharing memories	

Rethinking the contributions of Alessandro: part III - Aula C (2:30 PM - 3:45 PM)

-Conveners: Marco Billo'

time	[id] title	presenter
2:30 PM	[12] Covariant hamiltonian supergravity	CASTELLANI, Leonardo
2:55 PM	[14] Theoretical (kind of) physics of the brain	PANZERI, Stefano
3:20 PM	[13] From dual amplitudes to string field theory... and back	MACCAFERRI, Carlo

Rethinking the contributions of Alessandro: part iv - Aula C (4:15 PM - 4:40 PM)

-Conveners: Anna Ceresole

time	[id] title	presenter
4:15 PM	[17] Alessandro's photographic work	GRINZA, Paolo VAULÀ, Silvia
