

GWADW2023 - Gravitational-Wave Advanced Detector Workshop

Thursday, 25 May 2023

Prototypes for R&D 1 (09:00 - 10:30)

-Conveners: Sebastian Steinlechner; Koji Arai; Bram Slagmolen

time	[id] title	presenter
09:00	[45] A New Facility for Testing GW Thermal Compensation Systems at Full Scale	OTTAWAY, David
09:15	[60] Test Of New Interferometric Sensors In The AEI 10 m Prototype	LEHMANN, Johannes
09:30	[110] Compact isolation of a large mirror at low frequency	Mr SIDER, Ameer
09:45	[130] ETpathfinder status	STEINLECHNER, Sebastian
10:00	[118] Mariner: The Cryogenic Upgrade of the 40m Prototype Interferometer	ARAI, Koji
10:15	[124] High power 2um cryogenic Silicon suspended coupled cavity progress and challenges - HOPF	BLAIR, Carl
