sistema Universitario e della Ricerca

National Agency for the Evaluation of
Universities and Research Institutes

ANVUR and the International initiative on reforming research assessment

Menico Rizzi - ANVUR
menico.rizzi@anvur.it

Gli Enti pubblici di ricerca per la Scienza Aperta – Primo convegno nazionale del gruppo di
lavoro Open Science della CoPER – Roma 6-7 dicembre 2022

CoARA - Coalition for Advancing Research Assessment – ANVUR the roadmap

- **First informative meeting Dr Kostantinos Glinos head Unit-4 Open Science (2021)**
- **Participation to the 1st, 2nd, 3rd, 4th General Assembly Meetings, 2021-2022**
- **Signed the Agreement on reforming research assessment, joined the Coalition on the 6th October 2022**

CoARA – ANVUR

the roadmap

Chair

- Rianne Letschert

(nominated by Maastricht University, Universities of The Netherlands and the Young European Research Universities Network – YERUN)

Vice-Chairs

- Elizabeth Gadd (nominated by INORMS Research Evaluation Group)
- Karen Stroobants (nominated by the Marie Curie Alumni Association and EuroScience)

Members

- Lidia Borrell-Damián (Science Europe)
- Paul Boyle (European University Association)
- Yensi Alejandra Flores Bueso (Global Young Academy)
- Matthias Koenig (German Research Foundation – DFG)
- Eva Mendéz (Universidad Carlos III de Madrid)
- Menico Rizzi (ANVUR)
- Sylvie Rousset (French National Centre for Scientific Research – CNRS)
- Toma Susi (Initiative for Science in Europe – ISE)

CoARA – ANVUR the reasons

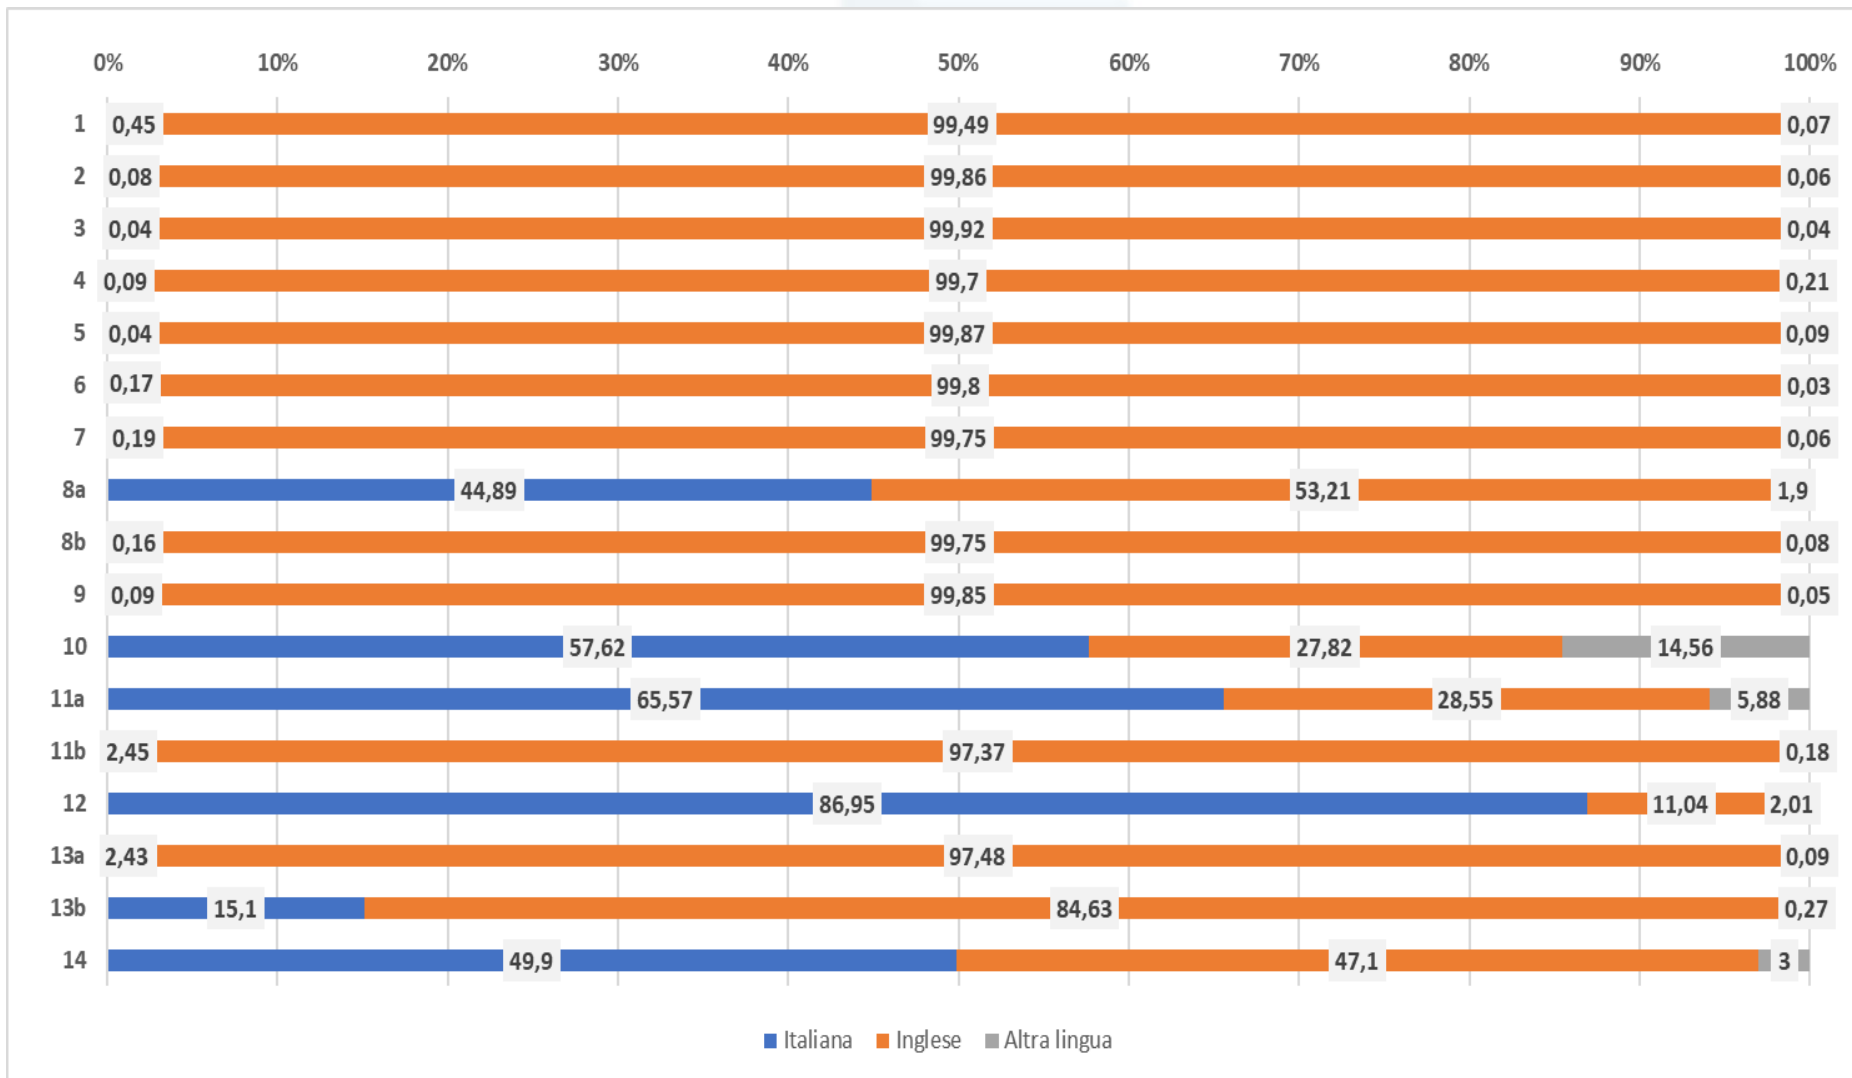

- **Full agreements on all the principles contained in the agreement**
- **Research on research assessment is a part of the Agency's mission**
- **Participation to the International debate with other Agencies**
- **Pursuing the highest Internationally recognized standards in its activity**
- **Participatory assessment (approach followed in CoARA)**

CoARA – ANVUR

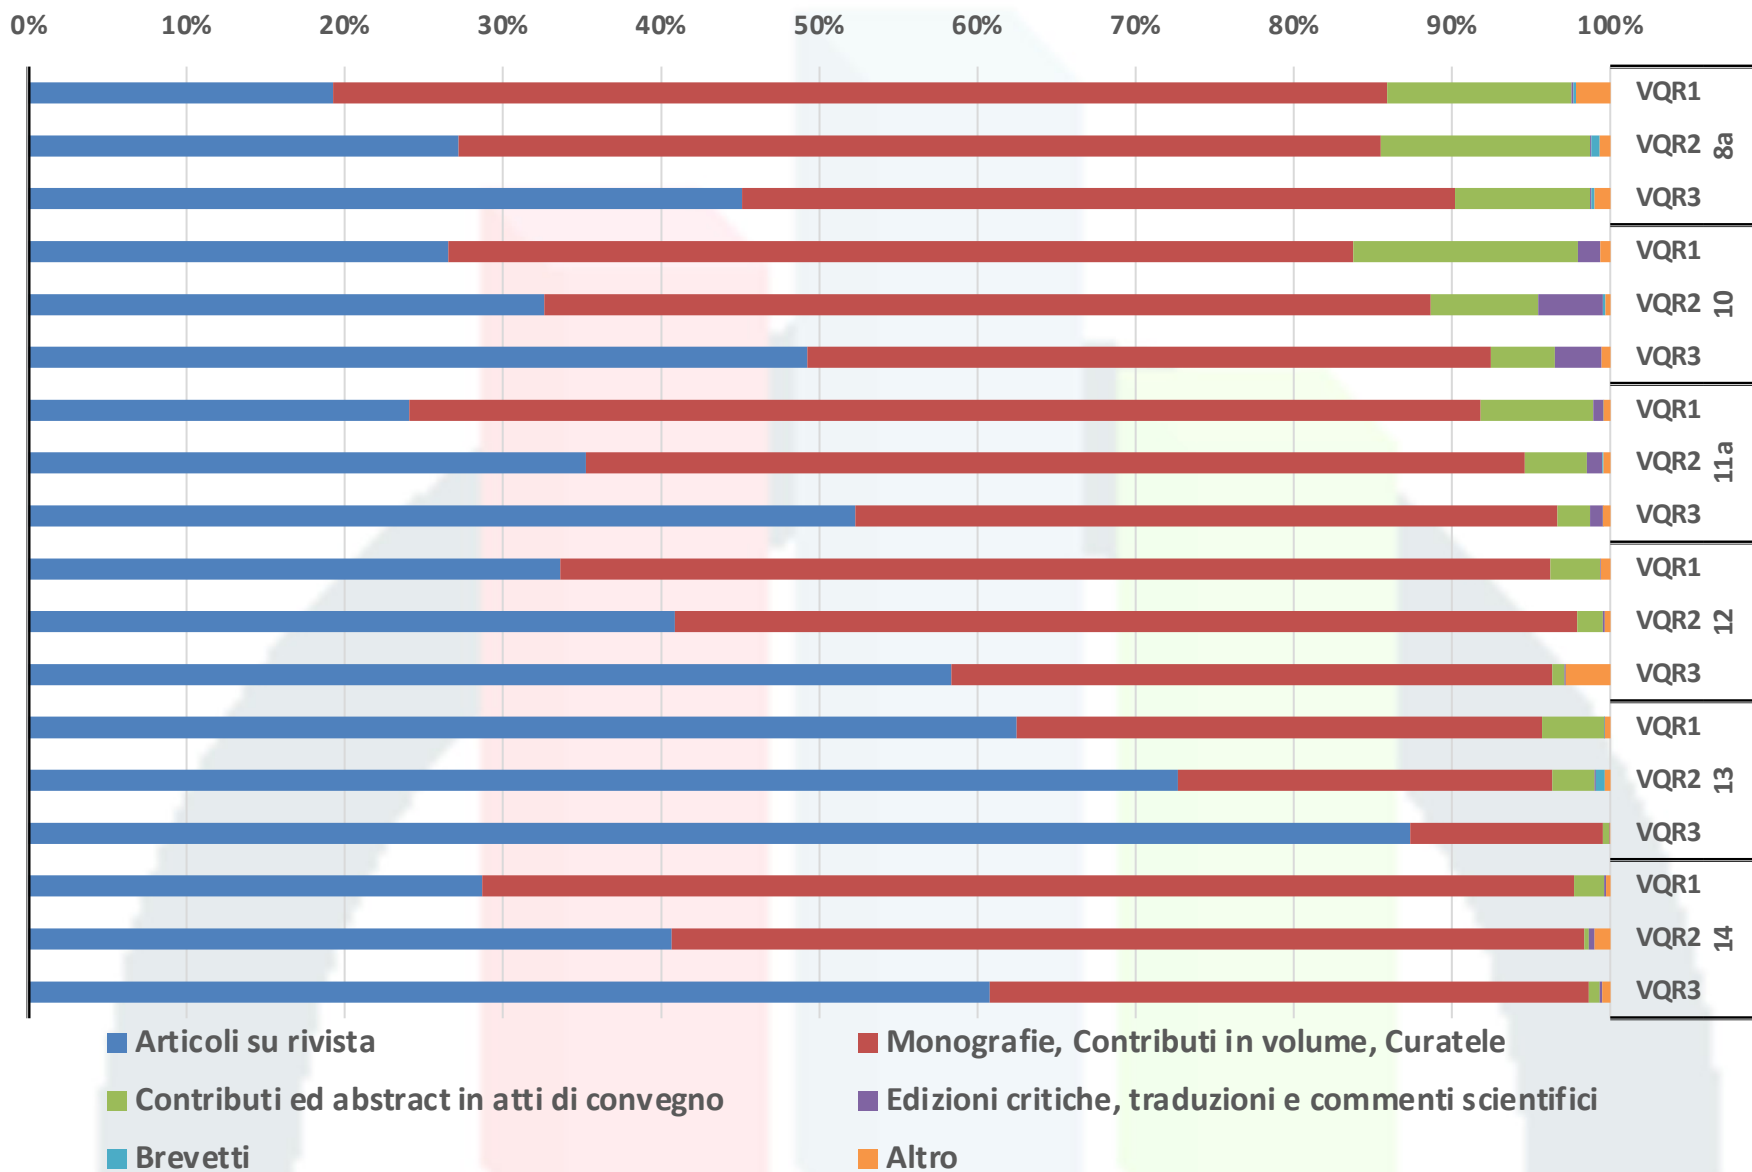

Research assessment - VQR-3

- Full peer-review in social sciences and humanities
- Peer-review informed by quantitative indicators in STEM and LS
- Peer-review considering indicators proposed by Institution for case studies
- Appointment (training) of evaluators
- Not only research articles
- Multilingualism

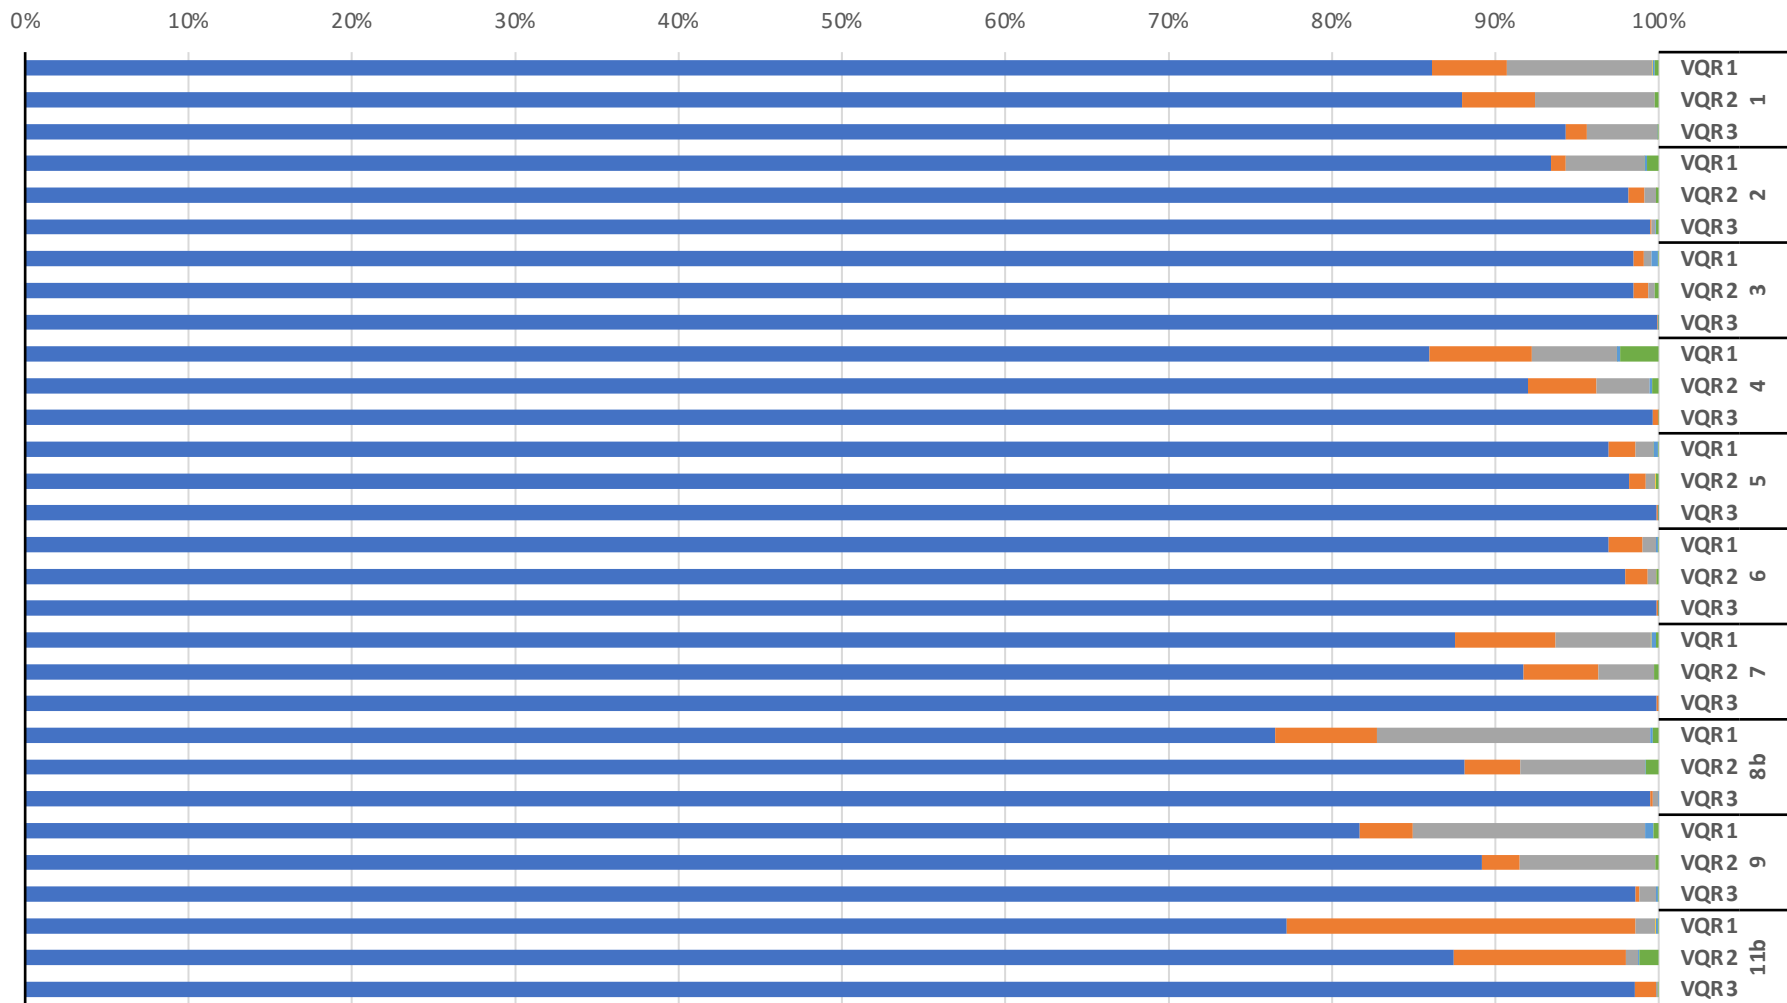

VQR-3 Multilingualism

VQR-3 type of “products” - SSH

VQR-3 type of “products” – STEM/LS

■ Articoli su rivista

■ Contributi ed abstract in atti di convegno

■ Brevetti

■ Monografie, Contributi in volume, Curatele

■ Edizioni critiche, traduzioni e commenti scientifici

■ Altro

self evaluation, evaluation, accreditation for Universities AVA-3

- **Assessment of quality ensure procedures for research and third mission**
- **Promotion teaching recognition/education and research on teaching**
- **Allocation of adequate resources**
- **Inequality**
- **At the Institution level**
- **At the Department level**
- **Assessment based on combination of qualitative and quantitative approach**

self evaluation, evaluation, accreditation for Universities PhD assessment

- **Initial accreditation**
- **Monitoring**
- **Periodic accreditation**
- **Assessment qualification of Faculty**
- **Research freedom**
- **Multidisciplinary and aspects on open science (and others, citizen science)**
- **Involvement and education of PhD Students in dissemination activities**
- **Output from PhD students open access**

CoARA – ANVUR

Future perspectives

- **Defining an Agency's roadmap to be presented to the CoARA Steering Board**
- **Considering the principles and discussions within CoARA, together with the ongoing extensive and deep analysis based on data of the pros and cons of VQR-3 for suggesting adjustment in the next exercise**
- **Infrastructure assessment and products ("services")**
- **Health (public) Institution (impact, policies)**
- **Stimulating discussion at the global level with other Agencies involving that way Institutions from currently underrepresented Continents**

Thank you for your attention
