

# Marciana 2023- Lepton Interactions with Nucleons and Nuclei

## martedì 5 settembre 2023

### Beta Decay (16:00 - 19:00)

time	[id] title	presenter
16:00	coffee break	
16:30	[18] Precision beta decays and implication for new physics	CIRIGLIANO, Vincenzo
17:00	[19] Nuclear physics for the precise extraction of $V_{ud}$	SENG, Chien Yeah
17:30	[20] Double Beta Decay	MEREGHETTI, emanuele
18:00	[41] Sterile neutrinos and neutrinoless double beta decay	DEKENS, Wouter
