

# Marciana 2023- Lepton Interactions with Nucleons and Nuclei

## Thursday, 7 September 2023

### Neutrino experiments (09:00 - 12:00)

time	[id] title	presenter
09:00	[28] T2K: Current and future neutrino cross-section measurements	SULLIVAN, Liam
09:30	[30] DUNE	WORCESTER, Elizabeth
10:10	coffee break	
10:40	[31] MicroBooNE	ASHKENAZI, Adi
11:10	[38] Interaction of neutrinos with nuclear targets in the shallow and deep inelastic scattering regions	ATHAR, Mohammad Sajjad
