

Marciana 2023- Lepton Interactions with Nucleons and Nuclei

venerdì 8 settembre 2023

Neutrino Interaction Theory (09:00 - 11:40)

time	[id] title	presenter
09:00	[40] Ab initio computations of nuclear structure and response using self-consistent Green's function	BARBIERI, Carlo
09:30	[34] Coupled Cluster formalism for lepton scattering	SOBCZYK, Joanna
10:00	[36] Lepton-nucleus scattering within Quantum-Monte Carlo based approaches	ROCCO, Noemi
10:30	coffee break	
11:00	[35] Quantum Monte Carlo calculations of lepton-nucleus scattering in the Short-Time Approximation	ANDREOLI, Lorenzo
11:30	[43] Closing remarks	MARIANI, Camillo
