

LEAPS Meets Life Sciences Conference

Wednesday, May 17, 2023

Unmet Medical Needs: Block 1 (8:45 AM - 10:30 AM)

time	[id] title	presenter
8:45 AM	[217] Keynote 5: Structure-guided approaches to malaria vaccines	HIGGINS, Matt
9:30 AM	[267] Ambient-temperature serial femtosecond crystallography studies of bacterial ribosome antibiotic complexes	DEMIRCI, Hasan
10:00 AM	[254] Large scale imaging of neuronal networks of the brain	WANNER, Adrian

Unmet Medical Needs: Block 2 (11:00 AM - 12:30 PM)

time	[id] title	presenter
11:00 AM	[226] Molecular mechanisms of tau filament formation	LOVESTAM, Sofia
11:30 AM	[256] Integrative structural biology applied to virus infection	WEISSENHORN, Winfried
12:00 PM	[272] Pandemic responses and the impact of infrastructure and technology on structural studies	STUART, Dave
