

LEAPS Meets Life Sciences Conference

Thursday, May 18, 2023

Life Sciences Outlook: Block 1 (4:15 PM - 5:45 PM)

time	[id] title	presenter
4:15 PM	[182] Integrative Biology to tackle mitochondrial respiration in Alzheimer's pathogenesis	SOLER LOPEZ, Montserrat
4:45 PM	[276] Cryo-trapped atomic resolution single crystal structures combined with time-resolved serial crystallography to explore enzyme mechanisms	PEARSON, Arwen CHARI, Ashwin
5:15 PM	[214] Time-resolved serial crystallography studies of conformational changes in cytochrome c oxidase	NEUTZE, Richard

Life Sciences Outlook: Discussion (5:45 PM - 6:15 PM)
