

CMS results on the eta meson decay to 4 muons

Tuesday, June 6, 2023 3:40 PM (20 minutes)

The talk will report on the observation of the decay of the eta meson to four muons

Primary authors: FANFANI, Alessandra (Istituto Nazionale di Fisica Nucleare); COLLABORATION, CMS

Presenter: FANFANI, Alessandra (Istituto Nazionale di Fisica Nucleare)

Session Classification: Light meson spectroscopy

Track Classification: Light meson spectroscopy
