

Studies of four-charm-quark tetraquark states at LHCb

Wednesday, June 7, 2023 3:00 PM (30 minutes)

LHCb results on four-charm quark tetraquarks - abstract to be determined

Primary authors: VOS, Keri (Siegen University); ZHANG, Yanxi (Peking University)

Presenter: ZHANG, Yanxi (Peking University)

Session Classification: Exotic hadrons and candidates

Track Classification: Exotic hadrons and candidates
