

# Rare B decays in the LHC era

*Friday, 9 June 2023 09:00 (25 minutes)*

I will tell the story (or part of it) of rare B decays of the last ~10 years.

**Primary author:** VIRTO, Javier (U. Barcelona, ICCUB)

**Presenter:** VIRTO, Javier (U. Barcelona, ICCUB)

**Session Classification:** Hadrons and physics beyond the standard model

**Track Classification:** Hadrons and physics beyond the standard model
