

CMS results on the f_s/f_u ratio

Wednesday, 7 June 2023 16:30 (20 minutes)

The talk will report on the most recent results by the CMS collaboration on the ratio between the B_s^0 and B^+ production ratio f_s/f_u .

Primary author: POMPILI, Alexis (Istituto Nazionale di Fisica Nucleare)

Presenter: POMPILI, Alexis (Istituto Nazionale di Fisica Nucleare)

Session Classification: Hadron decays, production and interaction

Track Classification: Hadron decays, production and interactions
