

## CMS results on the $f_s/f_u$ ratio

*Wednesday, June 7, 2023 4:30 PM (20 minutes)*

The talk will report on the most recent results by the CMS collaboration on the ratio between the  $B_s^0$  and  $B^+$  production ratio  $f_s/f_u$ .

**Primary author:** POMPILI, Alexis (Istituto Nazionale di Fisica Nucleare)

**Presenter:** POMPILI, Alexis (Istituto Nazionale di Fisica Nucleare)

**Session Classification:** Hadron decays, production and interaction

**Track Classification:** Hadron decays, production and interactions
