

Working Group on Radiative Corrections and Generators for Low Energy Hadronic Cross Section and Luminosity

Monday, 28 March 2011

MonteCarlo for R Measurements and Luminosity with energy scan - Aula Seminari (15:00 - 16:00)

time	[id] title	presenter
15:00	[0] MCGPJ and BabaYaga@NLO for BES-III	WANG, Ping
15:30	[1] Studies on accuracy of the contributions from pair production in Babayaga generator - a status report	GUNIA, Michal
