

THE FINAL TEST

ALGHERO SCHOOL 2023

THE TEST

- We introduced the test quite recently, upon students' request: it is considered valid in some PhD courses etc
- You can decide to:
 1. Do the test and get an official score (A/B/C/D/E ...) on your attendance certificate
 2. Do the test for fun, and ask not to have the score on the certificate
 3. Don't do the test, and just get the attendance certificate (identical to case #2)

THE TEST

- Deliver by 18:30
- We use Google Forms:
 - Submit the test electronically (1 correct answer = 1 point ; 1 incorrect or missing answer = 0 points)
 - You will get via mail what you submitted (this is why we ask for your email)
 - After 19:00, you will get at the same mail address your score with correct / incorrect answers
