Muon Beams Technologies: Muon Beams Technologies - Palazzo Franchetti (5:20 PM - 7:50 PM)

-Conveners: Maurizio Giorgio Bonesini

time	[id] title	presenter
5:20 PM	[8] Muon ionization cooling results and prospects	LONG, Kenneth
5:40 PM	[9] Current experimental activities on Muonium	IWAI, Ryoto
6:00 PM	[10] Muon cooling at J-PARC	KAMIOKA, Shusei
6:20 PM	[11] Muon cooling at PSI	LOSPALLUTO, Giuseppe
6:40 PM	[12] High energy muon collisions status and challenges	SCHULTE, Daniel
7:10 PM	[13] Guided discussion on muon technologies and possible synergies among them	BONESINI, Maurizio Giorgio
