### Physics with High Energy Muon Beams - Palazzo Franchetti (9:00 AM - 11:00 AM)

-Conveners: Cari Cesarotti

time	[id] title	presenter
9:00 AM	[14] The broad physics case of a muon collider	CRAIG, Nathaniel
9:30 AM	[15] muTristan physics possibilities	KITANO, Ryuichiro
10:00 AM	[16] Challenges and synergies of a detector at high energy muon collider	PAGAN GRISO, Simone
10:30 AM	[17] Guided discussion high energy muon beam physics and possible synergies	CESAROTTI, Cari
