

GWADW 2011 - Gravitational Waves Advanced Detectors Workshop - Progress Towards the Next Generation of Gravitational Wave Detectors

Friday, 27 May 2011

Simulations (continued) - Maria Luisa Hall (11:10 - 12:30)

time	[id] title	presenter
11:10	[38] Modeling Thermal Effects in aLIGO Using SIS	Mr MUELLER, Chris
11:35	[39] Sharing Simulation Tools	Dr FREISE, Andreas
12:00	[40] Discussion to identify what are missing in the existing simulation tools, and to assign who will work on what	Dr EVANS, Matthew
