TDR Discussion Session

Wednesday, 1 June 2011 11:25 (30 minutes)

The SuperB wiki has a breakdown of sections that we expect to have in the TDR and subsequently in the physics book that will follow several years down the line. This list is most probably not complete, and if there are missing topics, please come forward and discuss them with us.

The wiki summary of sections can be found at:

http://mailman.fe.infn.it/superbwiki/index.php/SuperB_Physics_TDR#Outline_of_the_TDR_.28by_section.29
